

APPROVED CSR PROJECTS OF FY 2021-22

JTEKT FUJI KIKO AUTOMOTIVE INDIA LTD.

This CHC (Community Health Centre) was setup on 18th March 1987. It is located very near to the NH 48, Delhi to Jaipur, Super express highway.

Salient Features:

- 1st CHC in Haryana state to start post-mortem services at CHC level and continuing it since last 5 years.
- Catering 2.58 Lacs Residents of 134 Villages, 350 Industries.
- 36000 Population vaccinated till now.
- Conducting 800 Deliveries annually.
- Being at the remote area, this CHC with limited team of doctors & experts, has done a remarkable job during the pandemic situation of COVID-19, where they have saved 87 lives as per AIIMS clinical guidance with 92% recovery rate.

ACTIVITY	CURRENT SITUATION	CURRENT PHOTOGRAPH	APPROX COST (In Mn.)
<p>Construction of Isolation ward for females (10 bedded).</p>	<p>Though for male there is the isolation ward but for female, they don't have any specified area. Therefore, they are using the Haryana Roadways buses for females isolation.</p>		<p>6.5 Mn</p>

**To be jointly implemented by JTEKT Fuji Kiko Automotive India Limited and JTEKT India Limited*

Thank You
